

Overnight Lodging at Camp Nawakwa

For the good order, safety and enjoyment of everyone while at camp, all who will be staying overnight are to indicate below where they will be staying. **Please have your spot vacated by 11 AM of your last day** so that all newly arriving overnight campers may easily be accommodated. (If you are leaving later that day, you may store your gear in the Pack Room of the Main Cabin.) **Thank you for your cooperation!** (New York Chapter Board of Directors)

Please Note: At all times, two sleeping cabins (Cabin #1 for women and Cabin #6 for men) are Reserved for Individual Key-holder Members' Use Only.
