FOR IMMEDIATE RELEASE

July 15, 2022

2023 Annual Membership Fee Announcement and Early Payment Discount through 9/30/22

Thank you for being a member of the Nawakwa Outdoor Association of NY (NOANY)! We hope you are enjoying your membership (with no dues this year) and all that Camp Nawakwa offers.

Following a detailed review of our operating budget, the NOANY Board of Directors has set the membership dues for the 2023 calendar year at \$40 per person. In addition, the Board has established a **discounted early payment of \$35 per person** for all who pay their 2023 membership dues by September 30, 2022.

The 2023 NOANY membership fee replaces your ADK membership. Now that we've separated from that group and no longer receive their support, we are fully dependent on our membership to keep Camp Nawakwa and all its activities going strong.

Payments can be sent **electronically via Zelle®** to
rocheleau3@gmail.com
with the note "NOANY 2023 Membership"

For payment by check, please use "NOANY" and add a note for "2023 Membership." You can send your check to

About the Nawakwa Outdoor Association of New York, Inc.

Originally founded in 1923 as the second oldest chapter of the ADK, the Nawakwa Outdoor Association of New York (NOANY), a 501(c)7 non-profit, is a membership-run organization dedicated to the enjoyment of the outdoors through hiking, walking, camping, swimming, canoeing, and kayaking in the New York City metropolitan area. We continue to dedicate ourselves to the conservation and preservation of our wilderness, particularly the mountains, lakes, trails, and camping areas of Harriman and Bear Mountain State Parks.

Camp Nawakwa – Our Rustic Retreat and Home-Base

Camp Nawakwa was built for us in 1926 by Harriman State Park and the Palisades Interstate Park Commission. Nestled on the shores of Lake Sebago, the largest lake in Harriman State Park, Camp Nawakwa has been continuously run by the volunteer members of NOA for the enjoyment of Nawakwans, their families, and guests. All are welcome to visit camp and consider NOANY membership and Keyholder status for themselves.

Our main cabin can accommodate 50 people for meals and social activities. There are six separate sleeping cabins with comfortable beds, along with numerous tent sites. A large swim dock, swimming area, and floating platform make for great swimming in Lake Sebago. There is also access to a boating fleet which includes kayaks, canoes, rowboats, and a sailboat.
